WHEREAS, the Raleigh Historic Development Commission has made an investigation and recommended the following property be designated a historic landmark; and

WHEREAS, the North Carolina Department of Natural and Cultural Resources has made an analysis and recommendation that the following property be designated a historic landmark; and

WHEREAS, all requirements of Part 3C, Chapter 160A, Article 19 of the North Carolina General Statutes, preceding the adoption of this ordinance, have been complied with.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF RALEIGH, NORTH CAROLINA THAT:

Section 1. The property designated as Lillie Stroud Rogers House, in the planning jurisdiction of the City of Raleigh, North Carolina, be and is declared a Raleigh Historic Landmark. Said property being more particularly described as follows:

The property located at 616 Method Road, Raleigh, NC, owned by Timothy Dale Marriott, that property described in deed book 015474, Page 02670 recorded in Wake County Registry, comprising approximately 0.14 acres.

Section 2. Those elements of the property that are integral to its historical, prehistorical, architectural, archaeological and/or cultural significance or any combination thereof are as follows:

The one-story primary building and the approximately 0.14 acre upon which it sits. The front-gabled bungalow with Craftsman details holds local architectural significance as a rare and intact, representative example of the modest housing built in Method in the second quarter of the twentieth century, and historical significance in documenting the evolution of Method from rural freedman's village to twentieth-century black suburb. Method, overall, is an important historic and cultural place in Raleigh's history, despite the lack of a concentration of intact historic properties.

The important architectural features of the house include its concrete front steps with buttresses, continuous brick foundation with integrated diamond-shaped vent perforations, German siding, three-light front door, six-over-one double-hung wood windows, front gable vent, bracketed eaves, exposed rafter tails, and its hip-roofed front porch with supporting battered posts on brick piers with concrete caps.

A detailed architectural description and history is found in the 2017 Raleigh Historic Designation application and report and is hereby referenced.

Section 3. No portion of the exterior features of any building, site, structure, or object (including windows, doors, walls, fences, light fixtures, signs, steps, pavement, paths, or any other appurtenant features), trees, nor above ground utility structure located on the hereinbefore described property that is designated in this ordinance may be altered, restored, moved, remodeled, or reconstructed so that a change in design, material or outer appearance occurs unless and until a certificate of appropriateness is obtained from the Raleigh Historic Development Commission or its successors; provided however that the Raleigh Planning Director or designee may approve certificates of appropriateness for minor works as listed in the Bylaws and Rules of Procedure of the Raleigh Historic Development Commission.

Section 4. No building, site, structure, or object (including windows, doors, walls, fences, light fixtures, steps, pavement, paths, signs, or any other appurtenant features), trees, nor above ground utility structure located on the hereinbefore described property that is designated in this ordinance may be demolished unless and until either approval of demolition is obtained from the Raleigh Historic Development Commission or a period of three hundred sixty-five (365) days has elapsed following final review by the Commission of a request for demolition (or any longer period of time required by N.C.G.S. 160A-400.14 as it maybe amended hereafter); provided however, that demolition may be denied by the Raleigh Historic Development Commission in the event that the State Historic Preservation Officer determines that the building, site, or structure has statewide significance as provided by N.C.G.S. 160A-400.14.

Section 5. The Raleigh Historic Development Commission shall have no jurisdiction over the interior features of the property.

Section 6. All owners and occupants of the property hereinabove described, whose identity and addresses can be ascertained by the exercise of due diligence shall be sent by certified mail a copy of this ordinance.

Section 7. This ordinance shall be indexed after the property owner's name in the grantor and grantee indexes in the Office of the Register of Deeds of Wake County.

Section 8. City administration and the Raleigh Historic Development Commission are hereby authorized and directed to have erected an appropriate sign on the site hereinabove described setting forth the fact that said site has been designated a historic landmark by action of the Raleigh Historic Development Commission and the City Council of the City of Raleigh provided, should the owners of the hereinabove described property not consent to the erection of said sign on the described premises, City administration and the Raleigh Historic Development Commission are hereby authorized and directed to have said sign located on the public right-of-way adjacent to said property.

Section 9. In the event any building, site, structure, or object designated by this ordinance is demolished in accordance with the ordinances of the City of Raleigh, this ordinance shall automatically be null and void.
